Cost-effective and Fanless

Featuring Intel Atom Dual Core, E-POS is a cost-effective POS terminal which delivers stable quality and fanless operation with 3 mounting options to meet the needs of most retail and hospitality environments. E-POS features a smart hinge design which allows the easy HDD removal and replacement. Modular design makes it easy for maintenance and flexible to upgrade as technology changes. A Bezel-free flat monitor is featured to provide a seamless and smooth surface and is resistant to water, dust, grease and food build-up. E-POS is ideal for price checker and Kiosk applications.

Modular Design

- Easy maintenance
- Expandable
