Place : (Neihu Headquarters) B1, No. 1, Line 20, Lane 26, Rueiguang Road,
Neihu District, Taipei City

Total outstanding ACL shares : 633,254,100 shares

Total shares represented by shareholders present in person or by proxy : 574,350,035 shares

Percentage of outstanding share held by shareholders present in person or by proxy : 90.70%

Chairman: K. C Liu, the Chairman of the Board of Directors

Attendees: Joseph Yu (Independent Director), Donald Chang (Director) ,Thomas Chen (Supervisor), James Wu (Supervisor),Chaney Ho (President),Eric Chen (Vice President), Meng Chieh Chiu, CPA, Deloitte, Villis Yang (Director)

The aggregate shareholding of the shareholders present in person or by proxy constituted a quorum. The Chairman called the meeting to order.

Chairman's Address (omitted)

I. Management Presentations

- 1.The 2016 Business Report (see appendix I)
- 2.Supervisor's Review Report on the 2016 Financial Statements (see appendix II)
3. Report of Employees' compensation and Directors' compensation of 2016.
4. The Status of Endorsement and Guarantee in 2016 (see meeting agenda)

II. Proposals

1. Adoption of the 2016 Business Report and Financial Statements
(Proposed by the board of directors)

Explanation:

- (1) The 2016 business report and standalone financial statements (including consolidated financial statements) were composed by the Board of Directors. The Company's financial statements were audited by independent auditors, M.J. Chiou and C.S. Chen, of Deloitte & Touche and were reviewed by the supervisor along with the business report with a written audit report issued.
- (2) The Business Report, independent auditor's report, and Financial Statements are

enclosed as Attachment I and Attachment III.

(3) Please acknowledge.

Voting Results:

574,350,035 shares were represented at the time of voting; 525,513,680 votes were in favor of the proposal (including votes casted electronically: 207,577,803); 228,391 votes were cast against the proposal (including votes casted electronically: 228,391); 0 votes were invalid; 48,607,964 votes were either invalidly cast or abstained (including votes casted electronically: 48,208,129).

Approved, that the above proposal be and hereby were accepted as submitted.

2. Adoption of the Proposal for Distribution of 2016 Earnings.

(Proposed by the board of directors)

Explanation:

- (1) Please refer to the 2016 prorofit distribution table in Attachment IV.
- (2) The net income of the company amounted to NT\$5,666,862,329 for 2016. Added the beginning unappropriated earnings of NT\$2,796,896,578 and deducted net of the retained earnings adjustment for NT\$3,691,230 due to long-term equity investments, actuarial loss recognized in retained earnings of NT\$24,282,918, the legal reserve of NT\$566,686,233 and special reserve of NT\$85,203,650, the distributable earnings for 2016 amounted to NT\$7,783,894,876 resulted to be distributed as follows:

- (3) The amounts of NT\$3,988,366,830 and NT\$633,074,100 out of the 2016 earnings are appropriated for distribution as cash dividends and share dividends to shareholders, respectively.

There were 633,074,100 shares of common stock outstanding on December 31, 2016 that are entitled to the distribution of shareholder's dividend at NT\$7.3 per share.

- (4) The distribution of cash dividend is calculated to the dollar (round up to the dollar). The total amount of the odd shares with a distribution of less than NT\$1 will be booked as the other income or other expense of the company.
- (5) The current distribution of earnings is scheduled before the dividend benchmark date. If there is any change in the yield rate as a result of any change in the Company's outstanding shares, a request is to be made in the shareholders' meeting having the Chairman authorized to handle matters related to the changes.
- (6) Upon the approval of the Annual General Shareholder's Meeting, it is proposed that the Chairman is authorized to resolve the ex-dividend date and other relevant issues.

Voting Results:

574,350,035 shares were represented at the time of voting; 525,740,680 votes were in favor of the proposal (including votes casted electronically: 256,014,323); 1,391 votes were cast against the proposal (including votes castedelectronically: 1,391); 0 votes wereinvalid; 48,607,964 votes were either invalidly cast or abstained (including votes casted electronically: 48,208,129).

Approved, that the above proposal be and hereby were accepted as submitted.

III. Discussion and Election

1. Issuance of new shares from capital increase by earnings. Please proceed to resolve.

(Proposed by the board of directors)

Explanation:

- (1) In response to the business development, the Company plans to issue 63,307,410 shares from capital increase by the 2016 dividends distributed to shareholders at the amount of NT\$633,074,100, with the par value per share of NT\$10. Based on shareholders and their shareholding ratio listed in the shareholders' roster on the target date for distribution of dividends, 100 shares per 1000 shares will be distributed free of charge; the fractional shares that is less than 1 share shall be put together by the stock agency appointed by the Company within 5 days after the date on which share transfer registration is suspended. The fractional share that is insufficient to make up the balance or put together by the deadline will be subscribed by a person designated by the chairman of the Board.
- (2) When there is a change in the distribution rate due to change in the number of shares circulated outside, the shareholders' meeting shall authorize the Board of Directors to solely handle such a change.
- (3) Rights and obligations arising from the issuance of new shares are same as those arising from the issuance of original shares.
- (4) After the issuance of new shares from capital increase is resolved by the annual shareholders' meeting and reported to the competent authority, the Board of Directors will be authorized to set the ex-right date and announce it separately.
- (5) Please proceed to discuss.

Approved, that the above proposal be and hereby were accepted as submitted.

V. Extemporary Motion: None.

VI. Meeting Adjourned: There was no other business and extemporary motion, the Chairman announced the meeting adjourned.

Business Report

Dear shareholders:

2016 Summary of Results

In 2016, Advantech reported consolidated revenues of NT\$ 42 billion, an increase of ten percent over the NT\$38 billion of 2015. Net income was NT\$5.69 billion and diluted earnings per share were NT\$8.96. Gross profit margin was 40.8 percent, compared with 40.4 percent in 2015; and operating profit margin was 15.8 percent, compared with 15.6 percent a year earlier. Net profit margin was 13.54 percent, an increase of 0.05 percentage points from the previous year's 13.49 percent.

Our Vision for IoT

Advantech has been looking at Internet of Things (IoT) opportunities since 2010, in addition to our foundation in embedded systems and industrial PC segments. We position ourselves as “The Accelerator of the Intelligent Planet”. However, given the complexity of the IoT ecosystem, we believe the broad-based penetration of end-user demands and applications will happen in the next 10 to 15 years, but not today. Since 2016, Advantech has gradually experienced rising demand in industrial IoT and factory applications. Looking forward, in addition to more comprehensive internet infrastructure development, the support and acceleration from industrial companies (like GE, Schneider, Honeywell, Siemens, etc.) and service providers (like Microsoft, Amazon, and Google) are the essential catalysts of the IoT industry.

Advantech recognizes three waves of growth in the IoT industry. The first wave happened in 2010 and will gradually mature in 2020. The major beneficiaries are IoT device providers, such as fabless houses. The second wave began in 2015~2016 and is expected to yield results in 2019~2020. The second wave should mature in 2025, at which time a third wave of IoT growth will begin. Advantech foresees that companies with the capability to provide hardware and software integration services will be the major beneficiaries during the second wave of IoT growth. In the future, Advantech will strengthen its role as an accelerator of the intelligent planet, facilitating system integrators' activities in each vertical market, providing differentiated customer service, and forming cross-sector alliance and vertical market ecosystems.

Advantech's Key Strategies to Achieve Our 2020 Vision

- **Develop the WISE-PaaS platform to form a sharing platform.**

In 2015, Advantech's WISE-PaaS was focused on internal software consolidation and architecture development. In 2016, WISE-PaaS successfully launched Edge Intelligence Server

(EIS) and Solution Ready Platform (SRP), and penetrated into several customer IoT projects in different vertical markets. In 2017, Advantech will focus on cloud services for the WISE-PaaS platform to provide a reliable and improved IoT cloud computing platform.

- **Make cross-sector alliances to form a vertical market IoT ecosystem.**

IoT is an expansion opportunity to Advantech's current specialty in embedded systems and industrial PCs. However, the complexities of the IoT system and vertical markets will drive overall market diversity. Therefore, Advantech intends to form different alliances in focused areas, including "M2.COM" in the Wireless IoT Sensor Nodes Standard, and Embedded Linux & Android Alliance (ELAA) in the embedded OS area, to provide more comprehensive services to our system integrator partners.

- **Invest, incubate, and cooperate to accelerate IoT development and penetration.**

In our 2020 vision, Advantech also identified external cooperation and investment as another growing arm in the future to fulfill the natural complexity of the IoT market and strengthen our portfolio and service offerings. In January 2016, Advantech fully consolidated B+B SmartWorx into our operations. In January 2017, Advantech announced investment in Kostec, a specialized, Korea-based medical-monitor company. Both investments were in line with Advantech's long term strategy in technology centric and vertical development. Also, Advantech initiated more interactions and sponsorship with industrial partners and academic institutes. In addition to talent recruitment and business engagement, Advantech intends to facilitate the development of Taiwan's IoT supply chain.

2017 Outlook

Advantech reported record high revenues and net income in 2016. The 10.5% revenue growth was consistent overall with Advantech's past 10 year CAGR growth. More importantly, Advantech intends to seek sustainable top-line growth in the long run to optimize investor value.

Looking forward in 2017, Advantech expects to achieve its profitable revenue growth target on the back of increasing penetration of IoT adoption, our leadership in intelligent systems, and our differentiated value-added services, which should reduce the uncertainty from macro-economic impacts.

Strengthening Corporate Governance and Business Leadership

Advantech has marketed itself as an industrial brand since the beginning and now Advantech has operations in 23 countries around the world. In 2016, Advantech was recognized as a Top 6 Taiwan International Brand, and the only B2B company among the Top 10 Taiwan International Brands. To enhance corporate governance and comply with international trends, Advantech will transform its board organization from supervisory systems to independent directors systems starting from 2017.

Our goal is the pursuit of excellence and sustainable operation. Advantech has established its altruistic spirit at the core of its business culture, along with the pursuit of the best and balanced interests of society, shareholders, customers, and employees.

Opinion

We have audited the accompanying consolidated financial statements of Advantech Co., Ltd. (the "Company") and its subsidiaries (collectively referred to as the "Group"), which comprise the consolidated balance sheets as of December 31, 2016 and 2015, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2016 and 2015, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2016. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters on the consolidated financial statements for the year ended December 31, 2016 were as follows:

Business acquisitions

Due to the operation plan of 2016, the Group acquired 100% of the shares of B+B SmartWorx, Inc. (B+B) for NT\$3,296,048 thousand on January 4, 2016.

The evaluation on fair value of the assets, liabilities, and the amount of goodwill as of the date of acquisition of B+B was based on a specialists' Purchase Price Allocation Report that involved several financial assumptions and inputs. The judgment of related accounting estimates will affect the presentation of accounts on the financial statements. Since the acquisition is considered to be a significant event and was transacted during the period of the financial statements and should have a material impact on the financial statements, the accuracy of the acquisition transaction of B+B conducted by the Group was deemed to be a key audit matter.

Our key audit procedures performed in respect of the above area included the following:

1. Tested the acquisition balance sheet prepared by management in accordance with the requirements of IFRS 3 Business Combinations by:
 - a. Checking that the record matched against the fair value of the assets and liabilities as of the date of acquisition.
 - b. Recalculating the value of goodwill recognized on the acquisition balance sheet.
2. Evaluated and tested the management's judgments, through the engagement of valuation experts by:
 - a. Testing the completeness of the identification, recognition, and valuation of the potential intangible assets of B+B and the fixed assets of its subsidiaries.
 - b. Testing the valuation methodologies and assumptions used to value each identified intangible asset, fixed asset, and goodwill.

B+B obtained the specialists' Purchase Price Allocation Report in December 2016. Through the above performed procedures, B+B recognized goodwill at NT\$1,768,139 thousand and intangible assets, including client relationships, core techniques, trademarks and software, at NT\$1,294,933 thousand in total.

Impairment loss recognized on goodwill

If an asset has an indefinite useful life or there is any indication that an asset is impaired, the management should assess if the carrying amount of the assets is impaired. We have expressed our concerns on the related risks since the impairment assessment of goodwill is based on the management's significant judgment that involves assumptions of the future profitability and costs of equity and debts; the impairment of goodwill is hence recognized as a critical accounting estimate in Note 5 to the consolidated financial statements.

The consolidated balance of goodwill amounted to NT\$2,845,831 thousand as of December 31, 2016. We are mainly concerned about the addition of cash-generating units from the acquisition of B+B, from which the goodwill from the cash-generating units amounted to NT\$1,768,139 thousand. Since the actual operations condition of B+B was not to the level as was evaluated as of the date of acquisition, which might cause an impairment of goodwill, the assessment of impairment of goodwill was deemed to be a key audit matter.

Our key audit procedures performed in respect of the above area included the following:

When evaluating the impairment assessment, we tested management's assumptions and inputs used for testing the impairment for goodwill, including cash flow projections and discount rates.

Other Matter

We have also audited the parent company only financial statements of Advantech Co., Ltd as of and for the years ended December 31, 2016 and 2015 on which we have issued an unmodified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including supervisors, are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2016 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Meng-Chieh Chiu and Chin-Hsiang Chen.

INDEPENDENT AUDITORS' REPORT

The Board of Directors and the Shareholders
Advantech Co., Ltd.

Opinion

We have audited the accompanying financial statements of Advantech Co., Ltd. (the "Company"), which comprise the balance sheets as of December 31, 2016 and 2015, and the statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2016 and 2015, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2016. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters on the financial statements for the year ended December 31, 2016 were as follows:

Investments accounted for using the equity method

The Company and its subsidiaries acquired 100% share of B+B SmartWorx, Inc. (B+B) for NT\$3,296,048 thousand in January 4, 2016 and recognized the acquisition as investment accounted for using the equity method.

The evaluation on fair value of the assets, liabilities, and amount of goodwill as of the date of acquisition was based on the specialists' Purchase Price Allocation Report that involved several financial assumptions and inputs. The judgment of related accounting estimates will affect the presentation of accounts on the financial statements. After considering that the acquisition was a significant event and was transacted during the period of financial statements with a material impact on the financial statements, accuracy of merger transaction of B+B conducted by the Company was deemed to be a key audit matter.

Our key audit procedures performed in respect of the assets and liabilities as of the date of acquisition included the following:

1. Tested the acquisition balance sheet prepared by the management and checked the record by matching against the fair value of the assets and liabilities as of the date of acquisition.
2. Recalculated the value of goodwill recognized in the acquisition balance sheet.

Impairment assessment of investments accounted for using the equity method

The excess of cost of acquisition of investments accounted for using the equity method over the fair value of investees' identifiable assets and liability as of the dates of acquisition should be recognized as goodwill. If there is any indication that goodwill is impaired, the management should assess if the carrying amount of goodwill is impaired. We have expressed our concerns on the related risks of impairment assessment on goodwill arising from acquisition of B+B since the impairment assessment of goodwill is based on the management's significant judgment that involved assumptions of the future profitability and costs of equity and debts; the impairment of goodwill is hence recognized as a critical accounting estimate in Note 5 to the financial statements.

Our key audit procedures performed in respect of the above area included the following:

When evaluating the impairment assessment, we tested the management's assumptions and inputs used for testing the impairment for goodwill, including cash flow projections and discount rates.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including supervisors, are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended December 31, 2016 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Meng-Chieh Chiu and Chin-Hsiang Chen.

Units Responsible for Implementation</u></p> <p><u>After the acquisition or disposal of real property or equipment is approved based on the authorization limit stipulated in the preceding paragraph, the department using such real property or equipment and Administration Department is responsible for implementation.</u></p> <p><u>4. Appraisal Report on Real Property or Other Fixed Assets</u></p> <p><u>In acquiring or disposing of real property or equipment where the transaction amount reaches</u></p>
---	--

and the contract execution date; provided, where the publicly announced current value for the same period is used and not more than 6 months have elapsed, an opinion may still be issued by the original professional appraiser.

NT\$300 million or more, the Company, unless transacting with a government agency, engaging others to build on its own land, engaging others to build on rented land, or acquiring or disposing of equipment for business use, shall obtain an appraisal report prior to the date of occurrence of the event from a professional appraiser and shall further comply with the following provisions:

(1) Where due to special circumstances it is necessary to give a limited price, specified price, or special price as a reference basis for the transaction price, the transaction shall be submitted for approval in advance by the Board of Directors, and the same procedure shall be followed for any future changes to the terms and conditions of the transaction.

(2) Where the transaction amount is NT\$1 billion or more, appraisals from two or more professional appraisers shall be obtained.

(3) Where any one of the following circumstances applies with respect to the professional appraiser's appraisal results, unless all the appraisal results for the assets to be acquired are higher than the transaction amount, or all the appraisal results for the assets to be disposed of are lower than the transaction amount, a certified public accountant shall be engaged to perform the appraisal in accordance with the provisions of Statement of Auditing Standards No. 20 published by the ROC Accounting Research and Development Foundation (ARDF) and render a specific opinion regarding the reason for the discrepancy and the appropriateness of the transaction price:

		<p><u>A. The discrepancy between the appraisal result and the transaction amount is 20 percent or more of the transaction amount.</u></p> <p><u>B. The discrepancy between the appraisal results of two or more professional appraisers is 10 percent or more of the transaction amount.</u></p> <p><u>(4) No more than 3 months may elapse between the date of the appraisal report issued by a professional appraiser and the contract execution date; provided, where the publicly announced current value for the same period is used and not more than 6 months have elapsed, an opinion may still be issued by the original professional appraiser.</u></p> <p><u>(5) Where the Company acquires or disposes of assets through court auction procedures, the evidentiary documentation issued by the court may be substituted for the appraisal report or CPA opinion.</u></p>	
Article 11	<p><u>Where the Company acquires or disposes of memberships or intangible assets and the transaction amount reaches 20% of the Company's paid-in capital or NT\$300 million or more, except in transactions with a government agency, the Company shall engage a certified public accountant prior to the date of</u></p>	<p><u>Procedures for Acquisition or Disposal of Memberships or Intangible Assets</u></p> <p><u>1. Evaluation and Operating Procedures</u> <u>The transaction processes of memberships or intangible assets shall be handled in accordance with the operating procedures for fixed asset circulation in the Company's internal control system.</u></p> <p><u>2. Procedures for Determining Trading Terms and</u></p>	According to the governing law and regulations

occurrence of the event to render an opinion on the reasonableness of the transaction price; the CPA shall comply with the provisions of Statement of Auditing Standards No. 20.

Conditions and Authorization Limit

(1) The trading terms and conditions and prices of acquisition or disposal of memberships shall be determined by the Company based on the market fair price, with the analysis report submitted to the President for approval. The amount of each transaction less than 1% of the Company's paid-in capital or NT\$300 million shall be reported to the Board of Directors for approval and the soonest board meeting for future reference; the amount of each transaction exceeding NT\$300 million shall be reported to the Board of Directors for approval.

(2) The trading terms and conditions and prices of acquisition or disposal of intangible assets shall be determined by the Company based on the appraisal report or market fair price, with the analysis report submitted to the President for approval. The amount of each transaction less than 10% of the Company's paid-in capital or NT\$300 million shall be reported to the Chairman of the Board for approval and the soonest board meeting for future reference; the amount of each transaction exceeding NT\$300 million shall be reported to the Board of Directors for approval.

3. Units Responsible for Implementation

After the acquisition or disposal of memberships or intangible assets is approved based on the authorization limit stipulated in the preceding paragraph, the department using such memberships or intangible assets and Finance Department or Administration Department are responsible for implementation.

		<p><u>4. Appraisal Report on Memberships or Intangible Assets</u> <u>Where the Company acquires or disposes of memberships or intangible assets and the transaction amount reaches NT\$30 million or more, except in transactions with a government agency, the Company shall engage a certified public accountant prior to the date of occurrence of the event to render an opinion on the reasonableness of the transaction price; the CPA shall comply with the provisions of Statement of Auditing Standards No. 20 published by the ARDF.</u></p>	
<p>Article 14</p>	<p>When the Company intends to acquire or dispose of real property from or to a related party, <u>regardless of the amount, or when it intends to acquire or dispose of assets other than real property from or to a related party at the amount reaching 20% of the Company's paid-in capital, 10% of its total assets or NT\$300 million, except in trading of government bonds or bonds under repurchase and resale agreements, or subscription or repurchase of domestic money market funds issued by securities investment trust enterprises, the Company may not proceed to enter into a transaction contract or make a payment until the following matters have been approved by more than half of all Audit Committee members and the Board of Directors:</u></p> <ol style="list-style-type: none"> 1.
