

Advantech 2023 Energy-Saving Project Investment and Performance

No.	Office/Operation site	Project	Energy Saving(kWh)	Cost
1	HQ	B2,B3 Parking lot lighting replaced with LED lights	8,244	\$120,000
2	HQ	Ruiguang offices on each floor automatically schedule lights out at 19:45	6,431	\$0
3	YangGuang	Air conditioning VAV equipment replacement project (second phase-3F-2, 6F-1,2, 7F-1,2, 4F-1,2)	96,228	\$31,738,555
4	YangGuang	1F~8F Office Lighting Replacement with LED Lamps (Phase 2)	78,382	\$1,624,350
5	Linko M Building	Energy-saving air conditioning fan in Building M, Linkou	35,448	\$10,000
6		Energy-saving ice water pump in Building M, Linkou	30,888	\$10,000
7		Air conditioning management measures in Building M, Linkou	17,953	\$10,000
8		M9_Production line work table LED lamp replacement	8,761	\$4,680
9		M9_Automatic shutdown after burn-in	15,826	\$0
10		M8_Chamber Intelligence and energy saving	34,703	\$0

Advantech 2023 Energy-Saving Project Investment and Performance

No.	Office/Operation site	Project	Energy Saving(kWh)	Cost
11	Linko M Building	CTOS_Production line work table LED lamp replacement	6,330	\$9,000
12		Adjust the running time of the ice water host	8,641	\$0
13		Office lighting in Building E reduces turn-on time	1,245	\$0
14	Donghui site	Lighting system replacement of LED lamps (Phase 2)	29,938	\$25,000
15		Air compressor equipment replacement	23,232	\$200,000

2023 Cost of energy saving projects **\$33,751,585 NTD**

2023 Amount of energy saving **402,250(kWh)**
