#### **Business Report**

#### Dear Shareholders,

#### **Financial Performance**

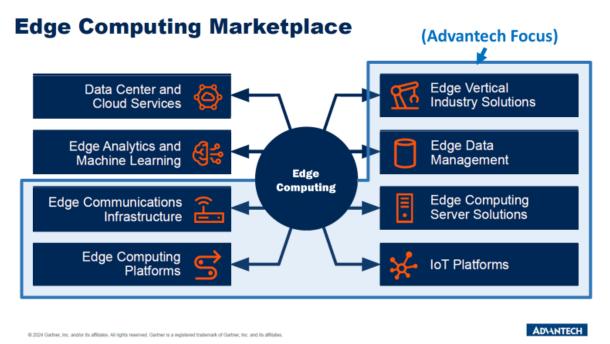

Advantech's consolidated revenue in 2024 was NT\$59.786 billion, representing a decrease of 7.4% from 2023. The gross profit was NT\$24.376 billion (gross profit margin was 40.8%), and the consolidated net income was NT\$9.005 billion (YoY decrease of 16.9%). The earnings per share was NT\$10.45. Converted into US dollars, the revenue in 2024 was US\$1.869 billion, a year-on-year decrease of 9.9%.

For the overall performance in 2024, Taiwan outperformed the other regions, with a year-on-year growth of 18%, while the Korean market grew by 8% YoY. North America, Europe, and Japan experienced a double-digit decline in sales; China and emerging markets resulted a single-digit decline in sales. In terms of the performance by business groups, the Industrial-IoT Group (IIoT) maintained flattish as the same period of last year, while the other business groups declined in general. In sum, operations and sales have been recovering quarter by quarter, with the best performance of the year realized in the fourth quarter of 2024.

#### **Key Development Strategies**

Advantech plans to transform the core of the corporate brand to a new aspect expressed in the two representative phrases: "Edge Computing & WISE- Edge in Action" and "Edge Computing, Edge Everything" starting from 2025.

The cloud-based large language model (LLM) is expected to become platform-based and popularized in the new era of AI popularization, driving edge and industry-specific AI Agent/SLM (small and medium-sized AI models) to become popular in various industries and driving the application of edge computing in-depth in various industries. Advantech will be deeply engaged in various branch markets of edge computing according to the Edge Computing business distribution shown in the figure below.

### Figure A: 2024 Gartner Report

Advantech's future product series deployment concepts on the two major platforms of Hardware Platform (left) and Software Platform (right) are detailed in the figure below. The software is collectively referred to as WISE-Edge, indicating that the two series of software, WISE-IoT at the application level and EdgeSync at the hardware connection level are gradually maturing and are collaborating with the hardware to become various edge solution platforms.

Figure B: Advantech Edge Computing & WISE-Edge in Action

According to Gartner, an international research firm, the industry market size is expected to grow from US\$131 billion in 2023 to US\$511 billion in 2033. Advantech's development focus in 2025 is AI + IoT + Edge Computing, as well as emerging edge computing platforms, which are detailed as follows:

As 5G technology and construction is gradually getting completed, the demand for high-performance edge computing platforms is thereby emerging in response to 5G advantages of low latency and high-speed transmission, distributary workload of cloud data centers, reduced data transmission risks, etc. The CPU chip architectures on the market are currently divided into two major categories: X86 and ARM/RISC, and they both have launched high-performance computing chips to meet the high-speed computing needs of various industries (5G, network communications, medical care, transportation, automation equipment, robots, etc.). Advantech has developed high-performance edge computing platforms with mainstream chip manufacturers such as Intel, AMD, Nvidia, Qualcomm, NXP, etc.; it has also launched them simultaneously to help various industries upgrade their needs for high-performance computing applications.

The development of artificial intelligence and edge computing technologies is accelerating rapidly worldwide. Advantech's vast Edge Computing Platform has the advantage of high market share in various industries. The company has developed AI On Module, AI Inference System, AI LLM Training System, and AI Server; also, provided an integrated AI software platform "Edge AI SDK" to help industry customers evaluate and verify the performance of AI platforms and to accelerate the implementation of AI embedded in edge devices.

Advantech's existing hardware platforms have already widely supported a variety of mainstream AI chips (GPU/VPU/Integrated CPU & NPU) and successfully launched high-performance Edge AI Computing solutions. In addition, Gartner and several international research organizations have simultaneously pointed out that generative AI (Gen AI) has been developed rapidly in multimodal AI applications, including text, images, audio and video, and diverse aspects. Advantech will benefit from the huge upgrade opportunities of Edge AI in various smart industries and will utilize the excellent customization capabilities to meet customers' Edge AI application needs in various industries.

Wireless technology is an indispensable key technology in IoT solutions. The iterative development of multiple technical protocols, such as WiFi 6/WiFi 7, 5G/6G, and Bluetooth/BLE, has been accelerated to meet the needs of different IoT scenarios. Advantech has a long-term strategy planned to further extend value-added services such as industrial wireless antenna design, firmware optimization, wireless testing and certification, etc. in 2025. Advantech has integrated internal RF R&D resources and testing equipment capabilities to provide Integrated Wireless Design-in Services. Advantech uses the Corporate Wireless TSU (Technology Service Unit) to serve each business product unit within the company, and to serve the wireless design needs of customers in various industries.

#### Industrial development and market expansion

The market development strategy includes multiple fields such as smart production, smart healthcare, logistics and vehicle-mounted, smart cities, and retail; also, it continues to help secure the company's competitive advantage through technological innovation and market expansion.

In terms of smart production, Advantech focuses on the semiconductor equipment, industrial infrastructure, and collaborative robot markets, providing solutions such as industrial cameras, PC-based industrial controllers, and industrial edge computers. In addition, for key areas such as smart factories, new energy, smart environment, and agriculture, Advantech enhances equipment networking, remote monitoring, and intelligent control through edge computing, software solutions, and cloud technology to help enterprises activate their digital transformation. At the same time, Advantech is developing new IoT controllers by having it combined with the hardware technology with advantages in edge computing. A brand-new software control integrated with an edge computing platform is developed, and IoT controllers with general control, motion control, and AI vision integration capabilities are launched to make the intelligent upgrades of industrial equipment possible.

In terms of healthcare, Advantech is accelerating the business deployment in medical equipment, medical AI, smart ward, and operating room management solutions; also, actively expanding into the North American, European, Chinese, and Japanese markets. Advantech plans to expand business operations into Southeast Asia and India in the future, and promote the application of smart hospital software solutions.

In terms of logistics and vehicle-mounted, the company has developed Rugged Edge Computer to have high-reliability design applied from vehicle-mounted applications to industrial applications in harsh environments; also, integrated AI computing capabilities to develop more market opportunities. At the same time, industrial tablet products will maintain the two major architectures of x86 and ARM; also, actively expand the rugged industrial tablet and retail application markets.

Smart cities and retail markets are also important to Advantech for business development. Advantech acquired AURES in France in 2024 to develop smart products such as self-service ordering, self-service checkout, shopping guide robots, etc., by taking advantage of its sales capabilities in Europe, Australia, and North America. In addition, Advantech will accelerate the application of imaging AI in retail and urban services through WISE-iVideo Suite in order to enhance the company's market competitiveness.

Advantech cooperates with system integration providers, operators, and ecosystem partners to expand market deployment by building a global ecological supply chain and innovative virtual-reality integration business model through Advantech's global business network, distribution partners, and IoTMart cross-border e-commerce platform.

#### Sustainable results and corporate values

Advantech had made significant progress in ESG sustainable activities in 2024, including: Advantech ranked the  $5^{\text{th}}$  in InterBrand Taiwan's brand consecutively, with a brand value of US\$912 million, ranked in the top 5% of listed corporate governance assessments, won the  $4^{\text{th}}$  place in the Excellence in Corporate Social Responsibility, and won the  $1^{\text{st}}$  prize in the Global Views ESG Corporate Sustainability Award. At the same time, the company ranked the  $7^{\text{th}}$  in the same industry in the international DJSI assessment and was nominated to be enlisted in the S&P Global Sustainability Yearbook (top 10%).

In the prospect of 2025, Advantech will focus on the following key issues and combine internal and external resources to promote sustainable transformation:

#### Green operation and sustainable development

- **Progress in renewable energy**: Taiwan plants rely on the purchase of green power and continue to follow up on the progress of solar power plant construction; also, self-built solar photovoltaic devices are installed for the plants in North America, Japan, and other places so as to gradually meet electricity demand.
- Carbon issue: Pilot-run carbon pricing mechanism to have carbon emission costs incorporated into cost-benefit assessment to guide low-carbon investment and low-carbon production in order to achieve carbon reduction goals. The global greenhouse gas inventory will be extended to Advantech's European subsidiaries; also, a product carbon footprint platform will be established based on market trends so as to enhance green competitiveness. Develop sustainable intelligent solutions with a focus on smart

healthcare, factories, transportation, etc. so to help Advantech make positive contributions to climate change mitigation and adaptation.

#### Prevalence and common benefit of the Internet of Things (IoT)

Advantech promotes the cultivation of talent and innovation through the core business, including innovative collaboration, special projects, and AIoT open teaching materials and course promotion. The company will strive to enhance industry-academy cooperation in the near future and plan talent cultivation, pioneering technologies, and emerging businesses with subjects covering AI application environment monitoring, agricultural development, edge platform power optimization, closed-loop liquid cooling and heating solutions, etc.

#### **Employees and society reciprocity**

Advantech is committed to talent cultivation, improving employee happiness and sense of belonging, and altruistic practices. Advantech promotes PBL (Project Based Learning) sustainable education, IoT innovation, and arts and cultures co-prosperity in Taiwan. Advantech has engaged in a variety of activities overseas: A4C (Advantech for Community) social care program in North America; the "Girls Tech Program" supporting female technology talents in Japan; the Plogging event launched in Korea, integrating community cleaning and employee fitness; supporting local proprietary farmers and promoting biodiversity education in Europe; and holding an event with biodiversity as the theme of Family Day for the first time in China.

#### **Prospect and expectations**

The trend of AI and edge computing is obviously and substantially penetrating into various industries. Advantech strives to become a leading manufacturer in this field and lead the trend, and serve as a promoter of the smart earth for the society. Advantech also looks forward to working and growing together with global team and ecosystem partners in order to bring meaningful business results to shareholders, society, and employees taking as a whole!

#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Shareholders of ADVANTECH CO., LTD.

#### **Opinion**

We have audited the accompanying consolidated balance sheets of ADVANTECH CO., LTD. and its subsidiaries (the "Group") as at December 31, 2024 and 2023, and the related consolidated statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of material accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2024 and 2023, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission.

#### **Basis for opinion**

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the *Auditors' responsibilities for the audit of the consolidated financial statements* section of our report. We are independent of the Group in accordance with the Norm of Professional Ethics for Certified Public Accountant in the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Group's 2024 consolidated financial statements. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Key audit matters for the Group's 2024 consolidated financial statements are stated as follows:

#### Recognition of sales revenue from the Industrial-IoT, the Embedded-IoT and the Applied Computing Business Group

#### **Description**

Refer to Note 4(33) for the related accounting policies on sales revenue and Note 6(22) for the details of revenues.

The Group operates in a highly competitive industrial computer industry. There was a significant fluctuation in the revenue of the Industrial-IoT, the Embedded-IoT and the Applied Computing Business Group in 2024. Therefore, we considered the recognition of sales revenue from the Industrial-IoT, the Embedded-IoT and the Applied Computing Business Group, as one of the key audit matters.

#### How our audit addressed the matter

We have performed primary audit procedures for the above matter as follows:

- 1. Obtained an understanding of and assessed the internal controls in relation to sales revenue, and validated its operating effectiveness.
- 2. Obtained the details of sales revenue of the Industrial-IoT, the Embedded-IoT and Applied Computing Business Group for the entire year, and selected samples of sales revenue transactions and related documents to confirm the appropriateness of revenue recognition.
- 3. Inspected significant abnormal sales returns and allowances after the balance sheet date.
- 4. Performed accounts receivable confirmation procedure to significant customers.

#### Other matter

We have audited and expressed an unmodified opinion on the parent company only financial statements of ADVANTECH CO., LTD. as at and for the years ended December 31, 2024 and 2023.

## Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the Group's financial reporting process.

#### Auditors' responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of

not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Liang, Hua-Ling Lin, Yi-Fan For and on behalf of PricewaterhouseCoopers, Taiwan February 27, 2025

The accompanying consolidated financial statements are not intended to present the financial position and results of operations and cash flows in accordance with accounting principles generally accepted in countries and jurisdictions other than the Republic of China. The standards, procedures and practices in the Republic of China governing the audit of such financial statements may differ from those generally accepted in countries and jurisdictions other than the Republic of China. Accordingly, the accompanying consolidated financial statements and independent auditors' report are not intended for use by those who are not informed about the accounting principles or auditing standards generally accepted in the Republic of China, and their applications in practice. As the financial statements are the responsibility of the management, PricewaterhouseCoopers cannot accept any liability for the use of, or reliance on, the English translation or for any errors or misunderstandings that may derive from the translation.

#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Shareholders of ADVANTECH CO., LTD.

#### **Opinion**

We have audited the accompanying parent company only balance sheets of ADVANTECH CO., LTD. as at December 31, 2024 and 2023, and the related parent company only statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the parent company only financial statements, including a summary of material accounting policies.

In our opinion, the accompanying parent company only financial statements present fairly, in all material respects, the financial position of ADVANTECH CO., LTD. as at December 31, 2024 and 2023, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

#### **Basis for opinion**

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the parent company only financial statements section of our report. We are independent of ADVANTECH CO., LTD. in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of ADVANTECH CO., LTD.'s 2024 financial statements. These matters were addressed in the context of our audit of the parent company only financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Key audit matter for ADVANTECH CO., LTD.'s 2024 financial statements are stated as follows:

### Recognition of sales revenue from the Industrial-IoT, the Embedded-IoT and the Applied Computing Business Group

#### **Description**

Refer to Note 4(31) for the related accounting policies on sales revenue and Note 6(19) for the details of revenues.

The Company operates in a highly competitive industrial computer industry. There was a more significant fluctuation in the revenue of the Industrial-IoT, the Embedded-IoT and the Applied Computing Business Group in 2024. Therefore, we considered the recognition of sales revenue from the Industrial-IoT, the Embedded-IoT and the Applied Computing Business Group, as one of the key audit matters.

#### How our audit addressed the matter

Our audit procedures performed in ADVANTECH CO., LTD. and its subsidiaries (recognized as investments accounted for under equity method) for the above matter are as follows:

- 1. Obtained an understanding of and assessed the internal controls in relation to sales revenue, and validated its operating effectiveness.
- 2. Obtained the details of sales revenue of the Industrial-IoT, the Embedded-IoT and Applied Computing Business Group for the entire year, and selected samples of sales revenue transactions and related documents to confirm the appropriateness of revenue recognition.
- 3. Inspected significant abnormal sales returns and allowances after the balance sheet date.

4. Performed accounts receivable confirmation procedure to significant customers.

## Responsibilities of management and those charged with governance for the parent company only financial statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the ability of ADVANTECH CO., LTD. to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate ADVANTECH CO., LTD. or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the financial reporting process of ADVANTECH CO., LTD.

## Independent auditors' responsibilities for the audit of the parent company only financial statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control of ADVANTECH CO., LTD.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of ADVANTECH CO., LTD. to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause ADVANTECH CO., LTD. to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the disclosures, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within ADVANTECH CO., LTD. to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the parent company only financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

- \* The remuneration disclosed in the Range of Remuneration differs from the concept of income defined according to Income Tax Law; therefore, the table is for the purpose of information disclosure instead of tax levy.

The policies, standards, and portfolios for the payment of remuneration, the procedures for determining remuneration, and the correlation with risks and business performance.

(i)Remuneration policies, standards and package:

A.Compensation of directors :

If the Company makes profits, it shall allocate no more than 1% of the directors' remuneration in accordance with Article 20 of the articles of association. The Company regularly evaluates directors' remuneration in accordance with the "Performance Evaluation Measures of the Board of Directors" and the "Management Measures for Directors' Remuneration". The relevant performance evaluation and remuneration rationality are reviewed by the Remuneration Committee and the Board of Directors.

B.Transportation allowances :

According to the "Management Measures for Managers' Remuneration" and the salary level of the position in the industry market, the Company will pay the remuneration according to the scope of rights and responsibilities of the position in the Company and contribution to the Company's operating objectives. The Remuneration Committee will make suggestions and make payment after being approved by the Board of Directors.

(ii)Compensation of President and Vice President :

The Company regularly evaluates the remuneration of directors and managers based on the evaluation results implemented by the Company's "Performance Evaluation Measures of the Board of Directors", "Management Measures for Directors' Remuneration" and "Management Measures for Managers' Remuneration". The performance measurement standards of the Chairman, President, and senior managers are based on important indicators of operation strategy (digital transformation, innovation contribution, etc.), business performance, and financial results. It also connects the overall operation performance of the Company, the future operation risk and development trend of the industry, and gives reasonable remuneration with reference to the achievement rate of individual performance and the contribution to the Company's performance. The relevant performance evaluation and remuneration rationality are reviewed by the Remuneration Committee and the Board of Directors.

(iii)Performance factor :

- A.The performance evaluation of the Board of Directors shall be conducted regularly every year, and the evaluation results shall be submitted for the report to the Board of Directors in the first quarter of each year in accordance with the provisions of the Performance Evaluation Measures of the Board of Directors of the Company, as a reference for review and improvement, as well as the basis for selecting or nominating directors or remuneration. In addition to the full disclosure of individual directors' remuneration in the Company's annual report, the distribution of employee and director remuneration is also presented as a proposal at the Annual General Meeting to inform shareholders and solicit their feedback.
- B.For the remuneration of directors, president, and vice president, it has fully considered the professional ability and the operation and financial status of the Company, continuous learning, and measured other special contributions. Qualitative and quantitative indicators are adopted to facilitate regular evaluations of goal achievement. By implementing a strong linkage between remuneration and performance, the Company reinforces its strategic focus to ensure sustainable growth. Remuneration is determined based on both corporate and individual performance outcomes.
- C.The Company shall review future operational risks from time to time to ensure that possible risks within the scope of duties and responsibilities can be managed and prevented. In addition, the Company shall approve the rating results according to the actual performance, connect all relevant human resources and relevant remuneration systems and policies, as well as review the remuneration system at any time according to the actual operation status and relevant laws and regulations, so as to balance the sustainable operation and risk control of the Company.

### Procedures for Acquiring or Disposing of Assets (Before Amendment)

### **General Provisions**

### Article 1

These "Procedures for Acquisition or Disposal of Assets" (hereinafter referred to as "these Procedures") are established in accordance with Article 36-1 of the Securities and Exchange Act and the regulations of the Financial Supervisory Commission (FSC).

### Article 2

The Company shall handle all acquisitions or disposals of assets in accordance with these Procedures, unless otherwise stipulated by applicable financial laws and regulations.

### Article 3

The term "assets" as used in these Procedures includes the following:

- (1) Stocks, government bonds, corporate bonds, financial bonds, securities representing funds, depositary receipts, call (put) warrants, beneficial securities, and asset-backed securities.
- (2) Real estate (including land, buildings, investment properties, and construction industry inventories) and equipment.
- (3) Membership certificates.
- (4) Intangible assets such as patents, copyrights, trademarks, and franchise rights.
- (5) Right-of-use assets.
- (6) Claims of financial institutions (including receivables, foreign exchange bills purchased, discounts, loans, and collections).
- (7) Derivatives.
- (8) Assets acquired or disposed of through mergers, demergers, acquisitions, or share transfers pursuant to law.
- (9) Other significant assets.

### Article 4

The terms used in these Procedures are defined as follows:

- (1) Derivatives: Refers to forward contracts, options, futures, margin trading contracts, swap contracts, combinations of the above, or hybrid contracts or structured instruments embedded with derivatives, whose values are derived from specific interest rates, prices of financial instruments or commodities, exchange rates, price or rate indices, credit ratings or indices, or other variables. The term "forward contracts" does not include insurance contracts, performance contracts, after-sales service contracts, long-term lease agreements, or long-term purchase (sales) contracts.
- (2) Assets Acquired or Disposed of through Legal Mergers, Demergers, Acquisitions, or Share Transfers: Refers to assets acquired or disposed of pursuant to the Business Mergers and Acquisitions Act, the Financial Holding Company Act, the Financial Institutions Merger Act, or other laws governing mergers, demergers, or acquisitions, or through share transfers made by issuing new shares in accordance with Article 156-3 of the Company Act (hereinafter referred to as "Share Transfers").
- (3) Related Parties and Subsidiaries: Shall be determined in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.
- (4) Professional Appraisers: Refers to real estate appraisers or other professionals legally authorized to conduct real estate or equipment appraisal services.
- (5) Date of Occurrence: Refers to the earliest of the contract signing date, payment date, transaction execution date, transfer date, Board of Directors' resolution date, or any other date sufficient to

determine the transaction counterpart and transaction amount. For transactions requiring regulatory approval, it refers to the earlier of such dates or the date of approval by the competent authority.

- (6) Investments in Mainland China: Refers to investments or technical cooperation projects in Mainland China approved in accordance with the "Regulations Governing Permission for Investment or Technical Cooperation in Mainland China" issued by the Investment Commission of the Ministry of Economic Affairs.
- (7) Professional Investors: Refers to financial holding companies, banks, insurance companies, bills finance companies, trust enterprises, securities firms conducting proprietary or underwriting business, futures commission merchants conducting proprietary business, securities investment trust enterprises, securities investment consulting enterprises, and fund management companies, which are legally established and regulated by financial supervisory authorities in their jurisdiction.
- (8) Securities Exchanges: Refers to the Taiwan Stock Exchange Corporation for domestic exchanges, and to any organized securities trading market supervised by competent securities authorities in foreign jurisdictions.
- (9) Business Premises of Securities Firms: Refers to trading counters established by domestic securities firms in accordance with the Regulations Governing Securities Firms' Business Premises for trading securities; and for foreign brokers, refers to financial institution branches permitted and supervised by foreign securities regulators to engage in securities business.

### Article 5

When the Company obtains an appraisal report or an opinion issued by a certified public accountant (CPA), lawyer, or securities underwriter, the professional appraiser and their appraisal personnel, CPA, lawyer, or securities underwriter shall meet the following requirements:

- (1) They must not have received a final conviction for violations of the Securities and Exchange Act, Company Act, Banking Act, Insurance Act, Financial Holding Company Act, or Business Accounting Act, or for having committed fraud, breach of trust, embezzlement, forgery of documents, or any business-related crimes resulting in a prison sentence of one year or more. This restriction shall not apply if three years have passed since the completion of the sentence, the end of the probation period, or the granting of a pardon.
- (2) They must not be a related party to any counterparty of the transaction, nor have any substantive relationship with the counterparty.
- (3) If two or more appraisal reports are required, the respective professional appraisers or their personnel must not be related parties to each other nor have any substantive relationship. The personnel mentioned above shall comply with the following self-disciplinary rules of their respective professional associations when issuing appraisal reports or opinions:
  - (1) Before accepting a case, they shall prudently assess their own professional competence, practical experience, and independence.
  - (2) When executing the engagement, they shall appropriately plan and implement suitable procedures to form a conclusion, and base their report or opinion on such conclusion. All procedures performed, data collected, and conclusions reached shall be fully and accurately documented in the working papers.
  - (3) Each source of information, parameter, and data used shall be individually evaluated for appropriateness and reasonableness as the basis for issuing the appraisal report or professional opinion.
  - (4) The declaration shall include the professional qualifications and independence of the involved personnel, an evaluation that the information used is appropriate, reasonable, and accurate, and confirmation that all relevant laws and regulations have been complied with.

### **Procedures guideline**

### Article 6

These Procedures shall be approved by more than one-half of all members of the Audit Committee and subsequently submitted to the Board of Directors for approval before being presented to the shareholders' meeting for final consent. The same process shall apply to any amendments. When the Procedures are submitted to the Board for discussion, the opinions of all independent directors shall be thoroughly considered. If any independent director expresses dissent or a qualified opinion, such opinion shall be recorded in the minutes of the Board meeting.

The establishment or amendment of these Procedures for Acquisition or Disposal of Assets must be approved by a majority of all Audit Committee members and resolved by the Board of Directors.

If the approval of more than one-half of all Audit Committee members is not obtained, the Procedures may instead be approved by a resolution of two-thirds or more of all directors, and the resolution of the Audit Committee shall be recorded in the Board meeting minutes. The number of all members of the Audit Committee and all directors shall be counted based on the actual incumbents.

### Article 7

Investment Limits in Non-Operating Real Estate and Marketable Securities

The Company and its subsidiaries shall observe the following individual investment limits when acquiring the above-mentioned assets:

The total amount the Company may invest in non-operating real estate and short-term marketable securities shall not exceed 30% of the Company's shareholders' equity, and the investment amount in any individual short-term marketable security shall not exceed 10% of the Company's shareholders' equity.

- Subsidiaries invested in by the Company may invest in non-operating real estate, related right-of-use assets, and marketable securities, subject to limits based on each subsidiary's shareholders' equity.
- The total amount the Company may invest in long-term marketable securities shall not exceed its paid-in capital, and the investment amount in a single company (actual funds invested) shall not exceed 40% of the Company's paid-in capital.
- Subsidiaries invested in by the Company may invest in long-term marketable securities, including the investment amount in a single company (actual funds invested), subject to the limit of each subsidiary's paid-in capital.

### Article 8

Board Approval and Audit Committee Review

Acquisitions or disposals of assets that, pursuant to these Procedures or other applicable laws, require the approval of the Board of Directors must be submitted accordingly. If any director expresses dissent and it is recorded or made in writing, such dissent shall be forwarded to the Audit Committee.

When asset acquisition or disposal transactions are submitted to the Board of Directors for discussion, the opinions of all independent directors must be fully considered. Any dissenting or reserved opinion expressed by independent directors shall be included in the Board meeting minutes.

Significant asset or derivatives transactions must be approved by a majority of all Audit Committee members and then resolved by the Board of Directors.

If the approval of more than one-half of all Audit Committee members is not obtained, the transaction may be approved by a resolution of two-thirds or more of all directors, and the resolution of the Audit Committee must be recorded in the Board meeting minutes. The number of all Audit Committee members and all directors shall be counted based on the actual incumbents.

### Acquisition or Disposal of Assets

### Article 9

When the Company acquires or disposes of real estate (including the signing of preliminary agreements or any other documents expressing intent, regardless of transaction amount), or acquires/disposes of equipment or right-of-use assets, and the transaction does not involve a government agency, self-owned land development, build-to-lease arrangements, or equipment/right-of-use assets for operational use, if the transaction amount reaches 20% of the Company's paid-in capital or NT\$300 million or more, a professional appraisal report must be obtained prior to the date of occurrence and the following requirements must be met:

- If, for special reasons, a fixed, specific, or special price is used as a reference for the transaction price, the transaction must first be approved by a resolution of the Board of Directors. The same applies if there are any subsequent changes to the transaction terms.
- For transactions with an amount of NT\$1 billion or more, two or more professional appraisers must be engaged for valuation.
- If any of the following circumstances occur in the appraisal results, except where the appraised value for asset acquisition is higher than the transaction price or the appraised value for asset disposal is lower than the transaction price, CPA shall be engaged to provide a specific opinion on the reason for the discrepancy and the appropriateness of the transaction price:
  - i. The difference between the appraised value and the transaction amount is 20% or more of the transaction amount.
  - ii. The difference between the appraised values provided by two or more appraisers exceeds 10% of the transaction amount.
- The date of the professional appraisal report shall not be more than three months prior to the contract signing date. However, if the appraisal is based on the same publicly announced current value period and that value has not exceeded six months in age, the original appraiser may issue an updated opinion.

### **Procedures for Acquisition or Disposal of Securities Investments**

### Article 10

Evaluation and Operating Procedures The purchase and sale of securities by the Company shall be conducted in accordance with the internal control system's investment cycle procedures.

- Decision Procedures for Transaction Terms and Authorization Limits
  - i. For transactions conducted on centralized markets or at securities firm business premises, the responsible unit shall determine transaction terms based on market conditions. In addition to processing by the authorized supervisory personnel in accordance with the Company's delegation of authority, any single transaction exceeding NT\$300 million must be submitted to the Board of Directors for approval before execution.
  - ii. For off-market transactions, the most recent CPA-audited or reviewed financial statements of the target company shall be obtained for reference in evaluating the transaction price, considering net worth per share, profitability, and future development potential. Aside from processing in accordance with the Company's delegation of authority, any single transaction exceeding NT\$300 million must be submitted to the Board of Directors for approval before execution.
  - iii. Acquisition of fixed-income monetary funds may be executed upon approval by the head of finance.
- Executing Unit
- Upon approval according to the Company's delegation of authority, execution of securities investments shall be handled by the finance and accounting department.
- Obtaining Expert Opinions
- When the Company acquires or disposes of securities, it shall obtain the most recent CPA-audited or reviewed financial statements of the target company as a reference for evaluating the transaction

price prior to the date of occurrence. If the transaction amount reaches 20% of the Company's paid-in capital or NT\$300 million or more, a CPA shall be engaged to provide an opinion on the reasonableness of the transaction price prior to the date of occurrence. This requirement does not apply where the securities have active market quotes or are otherwise exempted by the Financial Supervisory Commission.

- i. Securities acquired through cash investment in the establishment or capital raising of a company.
- ii. Participation in a cash capital increase by the target company in accordance with laws and regulations, where securities are issued at par value.
- iii. Participation in a cash capital increase of a wholly owned investee company.
- iv. Listed, OTC, and Emerging Stock securities traded on a stock exchange or securities firm's business premises.
- v. Government bonds or repurchase/reverse repurchase agreement bonds.
- vi. Domestic or foreign mutual funds.
- vii. Acquisition or disposal of listed/OTC shares in accordance with competitive bidding or auction rules of the Taiwan Stock Exchange or Taipei Exchange.
- viii.Subscription to a public company's cash capital increase where the acquired securities are not privately placed.
- ix. Pre-establishment subscription to a fund in accordance with Article 11, Paragraph 1 of the Securities Investment Trust and Consulting Act, and FSC Order No. 0930005249 dated November 1, 2004.
- x. Subscription or redemption of domestic private funds where the trust agreement states that the investment strategy—excluding securities margin trading and uncovered securities derivative positions—is equivalent to that of public mutual funds.

If the Company acquires or disposes of assets through a court auction process, documentation issued by the court may be used in place of an appraisal report or CPA opinion.

### Article 11

If the Company acquires or disposes of membership certificates, intangible assets, or right-of-use assets thereof, and the transaction amount reaches 20% of the Company's paid-in capital or NT\$300 million or more, the Company shall, except for transactions with domestic government agencies, engage a CPA to provide an opinion on the reasonableness of the transaction price prior to the date of occurrence.

### Article 12

The calculation of transaction amounts in the preceding three articles shall be conducted in accordance with Article 31, Paragraph 2. The term "within one year" shall be based on the date of occurrence of the current transaction and calculated retroactively for one year. Any portion for which a professional appraisal report or a CPA's opinion has already been obtained in accordance with these Procedures may be excluded from recalculation.

### Article 13

If the Company acquires or disposes of assets through a court auction process, documentation issued by the court may be used in lieu of an appraisal report or a CPA's opinion.

### Article 14

### **Related party transactions**

If the Company acquires or disposes of assets with a related party, in addition to following the relevant resolution procedures and evaluating the reasonableness of the transaction terms as stipulated in the preceding and this section, and where the transaction amount reaches 10% or more of the Company's total assets, a professional appraisal report or a CPA's opinion shall also be obtained in accordance with the provisions of the preceding section.

The calculation of the transaction amount mentioned in the preceding paragraph shall be handled in accordance with Article 12.

When determining whether the counterparty is a related party, not only the legal form should be considered, but also the substantive relationship.

### Article 15

If the Company acquires or disposes of real estate or right-of-use assets thereof from or to a related party (including the signing of preliminary agreements or any other documents expressing intent, regardless of the transaction amount), or acquires or disposes of other assets from or to a related party (other than real estate or right-of-use assets) and the transaction amount reaches 20% of the Company's paid-in capital, 10% of its total assets, or NT\$300 million or more, the Company shall, except for transactions involving government bonds, bonds with repurchase or reverse repurchase conditions, or the subscription or redemption of money market funds issued by domestic securities investment trust enterprises, submit the following information for approval by a majority of all Audit Committee members and resolution by the Board of Directors before entering into a transaction contract and making any payment:

- i. The purpose, necessity, and expected benefits of the acquisition or disposal of the assets.
- ii. The reasons for selecting the related party as the counterparty.
- iii. Relevant data used to assess the reasonableness of the expected transaction terms in accordance with Articles 16 and 17.
- vi. The date and price at which the related party originally acquired the asset, the transaction counterparty, and the relationship between such counterparty and the Company and the related party.
- v. A cash flow forecast chart for each month over the one-year period starting from the anticipated contract signing month, along with an evaluation of the necessity of the transaction and the reasonableness of the use of funds.
- vi. The appraisal report or CPA opinion obtained in accordance with the preceding article.

vii. Terms and restrictions of the transaction, and other material covenants.

The calculation of transaction amounts mentioned above shall be in accordance with Article 31. The term "within one year" shall be based on the date of occurrence of the current transaction and calculated retroactively for one year. Portions of transactions that have already been submitted to the Audit Committee and approved by the Board of Directors in accordance with these Procedures may be excluded from recalculation.

For the following transactions conducted between the Company and its parent company, subsidiaries, or subsidiaries in which it directly or indirectly holds 100% of the issued shares or capital, the Board of Directors may authorize the Chairman to approve such transactions within a specified amount, and such transactions shall be submitted to the next Board meeting for ratification:

v. Acquisition or disposal of equipment or right-of-use assets thereof for operational use.

vi.Acquisition or disposal of right-of-use assets of real estate for operational use.

If the Company or a non-publicly listed domestic subsidiary engages in any of the aforementioned transactions and the transaction amount reaches 10% or more of the Company's total assets, the transaction contract shall not be signed and payment shall not be made unless the information listed in the first paragraph is submitted to the shareholders' meeting for approval. However, transactions between the Company and its parent or subsidiary, or between its subsidiaries, are not subject to this requirement.

The calculation of the transaction amount under the preceding two paragraphs shall comply with Article 31, Paragraph 2. The term "within one year" shall be based on the date of occurrence of the current transaction and calculated retroactively for one year. Transactions that have already been submitted to and approved by the shareholders' meeting, Board of Directors, or recognized by the Audit Committee in accordance with these Procedures may be excluded from recalculation.

When the above transactions are submitted to the Board of Directors for discussion, the opinions of all independent directors shall be fully considered. If any independent director expresses dissent or a qualified opinion, it shall be recorded in the minutes of the Board meeting.

If the approval of more than one-half of all Audit Committee members is not obtained, the transaction may be approved by a resolution of two-thirds or more of all directors. The resolution of the Audit Committee shall be recorded in the Board meeting minutes. The number of all Audit Committee members and all directors shall be based on the actual incumbents.

### Article 16

If the Company acquires real estate or right-of-use assets thereof from a related party, the reasonableness of the transaction cost shall be assessed using the following methods:

- i. Based on the transaction price paid by the related party plus necessary interest expenses and other costs that shall be borne by the buyer in accordance with the law. The necessary interest cost shall be calculated using the weighted average interest rate of the Company's borrowings in the year the asset was acquired, but it shall not exceed the maximum borrowing rate for non-financial enterprises as announced by the Ministry of Finance.
- ii. If the related party has previously used the property as collateral to obtain a loan from a financial institution, the total appraised value of the loan by the financial institution may be used as a reference, provided that the actual cumulative loan amount reaches at least 70% of the appraised value and the loan term exceeds one year. This provision does not apply if the financial institution is a related party to either party in the transaction.

If land and buildings of the same subject property are acquired or leased together, the land and buildings may be evaluated separately using either of the methods listed above.

The Company shall, based on the evaluation results under the two preceding paragraphs, engage a CPA to review and provide a specific opinion on the reasonableness of the transaction cost.

The Company shall comply with the above evaluation requirements when acquiring real estate or right-of-use assets from a related party, except under any of the following circumstances, in which case the above evaluation methods do not apply:

- a The related party acquired the real estate or right-of-use asset through inheritance or donation.
- b More than five years have passed between the date the related party signed the purchase agreement for the real estate or right-of-use asset and the date of the Company's transaction agreement.
- c The transaction involves a joint construction agreement with the related party, or a build-to-suit or lease-to-build arrangement whereby the related party is commissioned to construct the real estate.
- d The transaction is between the Company and its subsidiary, or between subsidiaries in which the Company directly or indirectly holds 100% of the issued shares or total capital, for real estate right-of-use assets intended for operational use.

### Article 17

If the Company's evaluations pursuant to Paragraphs 1 and 2 of the preceding Article indicate that the appraised value is lower than the transaction price, the Company shall handle the matter in accordance with Article 18. However, this requirement does not apply if objective evidence is provided and both a professional real estate appraiser and a CPA issue specific opinions supporting the reasonableness of the transaction price under any of the following circumstances:

The related party acquired undeveloped land or leased land and subsequently constructed buildings, and the Company can demonstrate that one of the following conditions is met:

- i. The land is evaluated using the methods specified in the preceding Article, and the buildings are assessed based on the related party's construction cost plus a reasonable construction profit margin, and the total amount exceeds the actual transaction price. The term "reasonable construction profit margin" shall be based on either the average gross profit margin of the related party's construction division over the past three years, or the latest gross margin for the construction industry as published by the Ministry of Finance, whichever is lower.
- ii. Other transactions involving the same property (different floors) or similar properties in nearby areas within one year involving unrelated parties, where the area is comparable and the transaction conditions—after considering reasonable adjustments for floor levels or location in accordance with real estate market practices—are deemed equivalent.

The Company can demonstrate that the transaction terms for the acquired or leased real estate or right-of-use asset from a related party are comparable to those in other transactions involving unrelated parties in nearby areas within one year, and the areas involved are similar in size.

The term "nearby area" as used in the preceding paragraph refers, in principle, to the same or adjacent street blocks within a 500-meter radius of the subject property, or properties with similar publicly announced current values. The term "similar in size" generally means that the floor area of the unrelated party transaction is not less than 50% of the area of the subject property. The term "within one year" refers to the one-year period preceding the date of occurrence of the current acquisition of the real estate or right-of-use asset.

### Article 18

If the Company acquires real estate or right-of-use assets thereof from a related party, and the evaluations conducted in accordance with the preceding two Articles result in values lower than the transaction price, the Company shall take the following actions:

- i. The difference between the transaction price and the evaluated cost of the real estate or right-of-use asset shall be recognized as a special reserve under Paragraph 1, Article 41 of the Securities and Exchange Act, which shall not be distributed or capitalized into stock dividends. If the investor using the equity method to account for its investment in the Company is a public company, such investor shall also set aside a special reserve proportionally in accordance with Paragraph 1, Article 41 of the Securities and Exchange Act.
- ii. The Audit Committee shall handle the matter in accordance with Article 218 of the Company Act.

The handling of the preceding two items shall be submitted to the shareholders' meeting, and the details of the transaction shall be disclosed in the annual report and public prospectus.

If a special reserve is set aside in accordance with the preceding paragraph, such reserve may only be utilized after the high-priced acquired or leased asset has been recognized as impaired, disposed of, the lease terminated, appropriate compensation or recovery has been made, or there is other evidence confirming that no unreasonable circumstance exists, and such use has been approved by the Financial Supervisory Commission (FSC).

If there is other evidence indicating that the acquisition of real estate or right-of-use assets from a related party is not consistent with normal business practices, the Company shall also handle the matter in accordance with the preceding two paragraphs.

### Article 19

### **Derivatives Transactions**

When the Company engages in derivatives transactions, it shall pay attention to the control of the following key risk management and audit matters and incorporate them into its operational procedures:

- (1) Trading Principles and Policies: These shall include the types of derivatives that may be traded, strategies for operation or hedging, delegation of authority and responsibilities, performance evaluation methods, the total notional amount permitted for derivatives trading, as well as the maximum allowable losses for both overall and individual contracts.
- (2) Risk Management Measures.
- (3) Internal audit system.
- (4) Methods for Periodic Evaluation and Handling of Abnormal Situations.

### Article 20

When the Company engages in derivatives transactions, it shall implement the following risk management measures:

- (1) Scope of Risk Management: The Company shall manage risks including credit risk, market price risk, liquidity risk, cash flow risk, operational risk, and legal risk.
- (2) Segregation of Duties: Personnel conducting derivatives trading shall not concurrently serve as personnel responsible for confirmation and settlement of such transactions.

- (3) Independent Oversight: Risk measurement, monitoring, and control personnel shall be from departments separate from those mentioned in the preceding item. Their reports shall be submitted to the Board of Directors or to senior executives not involved in trading or position-related decisions.
- (4) Position Valuation: Derivatives positions held shall be evaluated at least once per week. However, for hedging transactions conducted for business needs, evaluations shall be performed at least twice per month. The evaluation reports shall be submitted to the senior executive(s) authorized by the Board of Directors.
- (5) Other Important Risk Management Measures: Any other measures necessary for effective risk control shall be established and followed.

### Article 21

When the Company engages in derivatives transactions, the Board of Directors shall exercise proper supervision and management in accordance with the following principles:

- (1) Senior executives designated by the Board shall continuously monitor and control the risks associated with derivatives transactions.
- (2) The Board shall regularly evaluate whether the performance of derivatives trading aligns with the established operational strategies and whether the risks borne are within the Company's acceptable limits.

Senior executives authorized by the Board of Directors shall manage derivatives transactions in accordance with the following principles:

- (1) Periodically evaluate the appropriateness of the current risk management measures and ensure that derivatives trading is conducted in accordance with these Guidelines and the Company's internal procedures for derivatives transactions.
- (2) Monitor the trading activities and profit/loss status. If any irregularities are identified, necessary countermeasures shall be taken immediately and reported to the Board of Directors. If the Company has appointed independent directors, they shall attend the Board meeting and provide their opinions.

If the Company engages in derivatives trading through personnel authorized in accordance with the established procedures, the transactions shall be reported to the most recent Board of Directors meeting afterwards.

### Article 22

When the Company engages in derivatives transactions, a logbook shall be established to record, in detail, the types and amounts of derivatives traded, the dates of Board approval, and matters that must be carefully evaluated in accordance with Subparagraph 4 of Article 20, Subparagraph 2 of Paragraph 1 of the preceding Article, and Subparagraph 1 of Paragraph 2 of the preceding Article. These records shall be maintained in the logbook for reference.

Internal audit personnel of a public company shall regularly review the adequacy of internal controls over derivatives transactions and conduct monthly audits of the trading department's compliance with the procedures for derivatives transactions. Audit reports shall be prepared accordingly. If any material violation is discovered, the internal auditors shall provide written notification to the members of the Audit Committee.

### Mergers, Demergers, Acquisitions, and Share Transfers

### Article 23

When the Company conducts a merger, demerger, acquisition, or share transfer, it shall, prior to convening a Board of Directors meeting to resolve such matters, engage a certified public accountant, lawyer, or securities underwriter to provide an opinion on the reasonableness of the share exchange ratio, acquisition price, or the distribution of cash or other property to shareholders. This opinion shall be submitted to the Board of Directors for discussion and approval.

However, the Company is exempt from obtaining the aforementioned expert opinion if the merger involves a subsidiary in which the Company directly or indirectly holds 100% of the issued shares or total capital, or if the merger is between such wholly owned subsidiaries.

### Article 24

If the Company participates in a merger, demerger, or acquisition involving a public company, it shall prepare a public document detailing the key terms and related matters of the merger, demerger, or acquisition prior to the shareholders' meeting. This document, along with the expert opinion specified in the preceding Article and the shareholders' meeting notice, shall be delivered to shareholders as a reference for determining whether to approve the proposed merger, demerger, or acquisition. However, this requirement does not apply in cases where laws permit the merger, demerger, or acquisition to proceed without convening a shareholders' meeting.

If any of the companies participating in the merger, demerger, or acquisition is unable to convene a shareholders' meeting or pass a resolution due to insufficient attendance, lack of voting rights, or other legal restrictions, or if the proposal is rejected by the shareholders' meeting, the involved company shall immediately make a public announcement explaining the reason for the failure, the follow-up handling procedures, and the scheduled date for the next shareholders' meeting.

### Article 25

Unless otherwise provided by law or approved in advance by the Financial Supervisory Commission (FSC) due to special circumstances, companies participating in a merger, demerger, or acquisition shall convene a Board of Directors meeting and a shareholders' meeting on the same day to resolve matters related to the merger, demerger, or acquisition.

Similarly, unless otherwise provided by law or approved in advance by the FSC due to special circumstances, companies participating in a share transfer shall convene a Board of Directors meeting on the same day.

Listed companies or companies whose shares are traded on securities firm business premises that participate in a merger, demerger, acquisition, or share transfer shall prepare and maintain complete written records of the following information for five years for audit purposes:

- (1) Basic Information of Personnel: This includes the job titles, names, and national ID numbers (or passport numbers for foreign nationals) of all individuals involved in the planning or execution of the merger, demerger, acquisition, or share transfer before public disclosure.
- (2) Key Dates of Events: These include the dates of signing the letter of intent or memorandum of understanding, engagement of financial or legal advisors, contract signing, and Board resolutions.
- (3) Important Documents and Minutes: This includes the merger, demerger, acquisition, or share transfer plan, letters of intent or memoranda of understanding, major contracts, and Board meeting minutes.

Companies listed or traded on securities firm business premises that participate in a merger, demerger, acquisition, or share transfer shall, within two days from the date of the Board resolution, submit the information under Items 1 and 2 above to the FSC for recordation via the internet-based information reporting system in the prescribed format.

If any of the participating companies is not a listed company or not traded on securities firm business premises, the listed or traded company shall enter into an agreement with such company and comply with the above two provisions accordingly.

### Article 26

All persons who participate in or become aware of the Company's merger, demerger, acquisition, or share transfer plans shall sign a written confidentiality agreement. Prior to the public disclosure of such information, they shall not disclose any details of the plan to any outside party, nor shall they engage, either directly or indirectly through another person, in the trading of shares or other equity-related securities of any company involved in the merger, demerger, acquisition, or share transfer.

### Article 27

If the Company participates in a merger, demerger, acquisition, or share transfer, the share exchange ratio or acquisition price shall not be arbitrarily changed, except under the following circumstances, and

the contract for the merger, demerger, acquisition, or share transfer shall specify the conditions under which such changes are permitted:

- (1) The company conducts a cash capital increase, issues convertible corporate bonds, distributes stock dividends, issues corporate bonds with warrants, preferred shares with warrants, subscription warrants, or other equity-linked securities.
- (2) The company disposes of major assets or undertakes actions that materially affect its financial or business operations.
- (3) Occurrence of major disasters, significant technological changes, or other events that materially impact shareholders' equity or the market price of securities.
- (4) Any of the companies involved in the merger, demerger, acquisition, or share transfer repurchases treasury stock in accordance with the law, requiring an adjustment.
- (5) A change in the number or identity of the entities participating in the merger, demerger, acquisition, or share transfer.
- (6) Other conditions for modification that are explicitly stated in the contract and have been publicly disclosed.

### Article 28

If the Company participates in a merger, demerger, acquisition, or share transfer, the contract shall specify the rights and obligations of the companies involved and include the following provisions:

- (1) Handling of breach of contract.
- (2) Principles for handling equity-type securities issued or treasury shares repurchased by the dissolved or demerged company prior to the merger or demerger.
- (3) The number of treasury shares that may be repurchased by participating companies after the record date for calculating the share exchange ratio, and the handling principles thereof.
- (4) Measures for handling any changes in the number or identity of the participating entities.
- (5) The expected implementation schedule and estimated completion timeline of the project.
- (6) Procedures to be followed, including the scheduled date for convening a shareholders' meeting as required by law, in the event the project is not completed by the expected deadline.

### Article 29

If, after public disclosure of a merger, demerger, acquisition, or share transfer, any party to the transaction intends to enter into another merger, demerger, acquisition, or share transfer with a different company, all procedures or legal acts already completed in the original merger, demerger, acquisition, or share transfer must be re-executed by all participating companies, unless the number of participating entities is reduced and the shareholders' meeting has already resolved and authorized the Board of Directors to make such changes without the need for another shareholders' meeting resolution.

### Article 30

If any of the companies participating in a merger, demerger, acquisition, or share transfer is not a public company, the Company shall enter into an agreement with such company and handle the matter in accordance with the provisions of Articles 25, 26, and the preceding Article.

### **Information Disclosure Procedures**

### Article 31

If the Company acquires or disposes of assets and any of the following circumstances occur, the Company shall, in accordance with the nature of the transaction and in the prescribed format, disclose the relevant information on the website designated by the Financial Supervisory Commission (FSC) within two days from the date of occurrence:

(1) Acquisition or disposal of real estate or right-of-use assets thereof from or to a related party, regardless of the transaction amount; or acquisition or disposal of other assets from or to a

related party, excluding real estate or right-of-use assets, where the transaction amount reaches 20% of the Company's paid-in capital, 10% of its total assets, or NT\$300 million or more. However, this does not apply to the trading of domestic government bonds, repurchase/reverse repurchase bond transactions, or subscription/redemption of money market funds issued by domestic securities investment trust enterprises.

- (2) Engagement in a merger, demerger, acquisition, or share transfer.
- (3) Losses incurred from derivatives transactions that reach the total or individual contract loss limit as defined in the Company's handling procedures.
- (4) Acquisition or disposal of assets categorized as equipment or right-of-use assets for operational use, where the counterparty is not a related party and the transaction amount reaches one of the following thresholds:
  - i. For public companies with paid-in capital of less than NT\$10 billion, the transaction amount reaches NT\$500 million or more.
  - ii. For public companies with paid-in capital of NT\$10 billion or more, the transaction amount reaches NT\$1 billion or more.
- (5) Acquisition of real estate through methods such as self-owned land development, leasehold land development, joint construction with separate unit allocation, joint construction with profit sharing, or joint construction for sale, where the counterparty is not a related party and the Company's expected investment in the transaction amounts to NT\$500 million or more.
- (6) Asset transactions not covered by the preceding five items, disposal of claims by financial institutions, or investments in Mainland China, where the transaction amount reaches 20% of the Company's paid-in capital or NT\$300 million or more. However, the following circumstances are excluded:
  - i. Trading of domestic government bonds or foreign government bonds with credit ratings not lower than the sovereign rating of Taiwan.
  - ii. Securities transactions conducted by professional institutional investors on stock exchanges or at securities firm business premises; subscription to foreign government bonds or general corporate bonds (excluding subordinated bonds) issued in the primary market that do not involve equity; subscription or redemption of securities investment trust funds or futures trust funds; subscription or redemption of exchange-traded funds (ETFs); or securities subscribed through underwriters acting as advisors or sponsors of Emerging Stock companies pursuant to regulations of the Taipei Exchange.
  - iii. Trading of bonds with repurchase or reverse repurchase conditions; or subscription/ redemption of money market funds issued by domestic securities investment trust enterprises.

The transaction amounts mentioned in the preceding paragraph shall be calculated as follows:

- a The amount of each individual transaction.
- b The cumulative transaction amount within one year for acquiring or disposing of the same type of asset with the same counterparty.
- c The cumulative transaction amount within one year for acquiring or disposing (calculated separately for acquisitions and disposals) of real estate or right-of-use assets related to the same development project.
- d The cumulative transaction amount within one year for acquiring or disposing (calculated separately for acquisitions and disposals) of the same securities.

The term "within one year" as mentioned above refers to the one-year period retroactively calculated from the date of occurrence of the current transaction. Transactions that have already been disclosed in accordance with these Procedures may be excluded from the cumulative total.

The Company shall, by the 10th day of each month, input into the designated information reporting system specified by the Financial Supervisory Commission (FSC), in the prescribed format, the status of derivatives transactions conducted by the Company and its subsidiaries that are not domestic public companies as of the end of the previous month.

### Article 32

If any items that the Company is required to disclose contain errors or omissions at the time of disclosure and need to be corrected, the Company shall re-disclose and report all items in their entirety within two days from the date such errors or omissions are discovered.

When the Company acquires or disposes of assets, it shall retain related contracts, meeting minutes, logbooks, appraisal reports, and opinions issued by certified public accountants, lawyers, or securities underwriters at the Company. Unless otherwise required by law, these documents shall be preserved for at least five years.

If, after disclosing and reporting a transaction in accordance with the preceding Article, any of the following circumstances occurs, the Company shall disclose and report the relevant information on the website designated by the Financial Supervisory Commission (FSC) within two days from the date of occurrence:

- (1) Any changes, termination, or rescission of the original transaction contract.
- (2) The merger, demerger, acquisition, or share transfer is not completed according to the scheduled timeline set forth in the contract.
- (3) There are changes to the contents of the original public announcement or filing.

### Article 33

The Company's subsidiaries shall comply with the following provisions:

- (1) The procedures for the acquisition or disposal of assets by the Company's subsidiaries shall be established and implemented in accordance with the provisions of these Procedures.
- (2) If a subsidiary of the Company is not a public company and its acquisition or disposal of assets meets the criteria requiring public disclosure and reporting as set forth in these Procedures, such disclosure and reporting shall be handled by the Company.
- (3) For the subsidiaries mentioned in the preceding paragraph, the standards related to paid-in capital or total assets as referenced in Paragraph 1 of Article 31 shall be based on the Company's paid-in capital or total assets.

## Advantech Co., Ltd. Rules and Procedure for Shareholders' Meetings

- Article 1 : The process of the Company shareholders' meeting is subject to the "Rules of Procedure for Shareholders' Meetings."
- Article 2 : Unless otherwise provided by law or regulation, the Company's shareholders meetings shall be convened by the Board of Directors.

Changes to the means of convening a shareholders' meeting shall be subject to a resolution of the Board of Directors, and shall be made no later than the delivery of the shareholders' meeting notice. The Company shall specify in its shareholders meeting notices the time during which shareholder, solicitor, and proxy agent (shareholder) attendance registrations will be accepted, the place to register for attendance, and other matters for attention. The time during which shareholder attendance registrations will be accepted, as stated in the preceding paragraph, shall be at least 30 minutes prior to the time the meeting commences. The place at which for attendance registrations shall be clearly marked and shall have number of suitable personnel assigned to handle the registrations. Where a shareholders meeting is held by means of visual communication network, shareholders shall register on the visual networking platform at least thirty minutes prior to the time the meeting commences. Shareholders who have completed the registration shall be deemed to have attended the shareholders meeting in person. The shareholders or theshareholders' commissioned representatives while attending the meeting should sign on the attendance registry or submit the attendance card instead; also, the number of attending shares is calculated in accordance with the number of shares documented on the attendance card. Where a shareholders meeting is held by means of visual communication network, shareholders who intend to attend the meeting by means of visual communication network shall register with the Company two days prior to the shareholders meeting.

Where a shareholders meeting is held by means of visual communication network, the Company shall upload the meeting handbook, annual report, and other information to the visual networking platform at least thirty minutes before the start of the shareholders meeting and shall maintain their availability until the end of the meeting.

When the Company announces the commencement of a shareholders' meeting by means of a visual communication network, it shall disclose the total number of shares held by attending shareholders on the visual networking platform. The same shall apply if the total number of shares and voting rights of the shareholders attending the meeting are counted during the meeting.

Article 2.1 : The attendar

The attendance and resolution in the shareholders' meeting shall be based on the shares.

The number of shares in attendance shall be calculated according to the shares indicated by the attendance book and sign-in cards handed in and the number of shares registered on the visual networking platform plus the number of shares whose voting rights are exercised by correspondence or electronically.

The chair shall call the meeting to order at the appointed meeting time and disclose information concerning the number of non-voting shares and the number of shares represented by shareholders attending the meeting.

However, when the attending shareholders do not represent a most of the total number of issued shares, the chair may announce a postponement, provided that no more than two such postponements, for a combined total of no more than one hour, may be made. If the quorum is not met after two postponements and the attending shareholders still represent less than one third of the total number of issued shares, the chair shall declare the meeting adjourned. If a shareholders meeting is held by means of visual communication network, the Company shall also announce the adjournment of the shareholders meeting on the visual networking platform.

If the quorum is not met after two postponements as referred to in the preceding paragraph, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Paragraph 1, Article 175 of the Company Act; all shareholders shall be notified of the tentative resolution and another shareholders meeting shall be convened within one month. If a shareholders meeting is held by means of visual communication network, shareholders who intend to attend the meeting by means of visual communication network shall re-register with the Company in accordance with Article 2 herein.

- Article 2.2 The Company may assign the commissioned lawyer, accountant, or the relevant : personnel to attend the shareholders' meeting.
- Article 2.3 : Shareholders' meeting will be held at the Company's premise or a suitable location for the convenience of the shareholders. The starting time of the shareholders' meeting should not be before 9:00am or after 3:00pm.

When the Company convenes a shareholders meeting by means of visual communication network, it is not subject to the restrictions on the venue for a shareholders meeting mentioned in the preceding paragraph.

Article 2.4 : The Company should have the proceeding of the shareholders' meeting from the shareholder's reporting to meeting, meeting in session, to votes counting recorded in audio or video uninterruptedly.

> The audio-visual materials referred to above shall be kept for at least one year; however, they should be reserved until the end of the legal proceeding that is filed by the shareholders in accordance with Article 189 of the Company Law.

> When a shareholders meeting is held by means of visual communication network, the Company shall record and retain the shareholders' registration, sign-in, attendance registration, questions, voting, and vote counting results and make uninterrupted audio and video recording of the shareholders meeting.

> The information and the audio and video recording mentioned in the preceding paragraph shall be properly retained by the Company throughout the life of the Company, and the audio and video recording shall be sent to an institution that is entrusted to handle video conferencing affairs for retention.

> When a shareholders meeting is held by means of visual communication network, the Company shall make an audio and video recording of the backend user interface of the visual networking platform.

- Article 2.5 When the Company holds a shareholders meeting by means of visual communication network, it shall specify the following matters in the shareholders meeting notice:
  - (1) Methods for shareholders to attend and exercise their rights in a shareholders meeting held by means of visual communication network.
  - (2) Methods for handling obstacles to the visual networking platform or attendance at a shareholders meeting by means of visual communication network due to natural disasters, incidents, or other force majeure circumstances, including but not limited to:
    - a. Where the aforesaid obstacles cannot be removed, the Company shall set a time limit for the postponement or reconvention of the shareholders meeting, as well as the date for the postponed or reconvened shareholders meeting if applicable.
    - b. Shareholders who have not registered to attend the original shareholders meeting by means of visual communication network shall not attend the

postponed or reconvened shareholders meeting.

- c. When the Company holds a video-assisted shareholders meeting and fails to proceed with the meeting by means of visual communication network, the shareholders meeting shall continue if the number of shares held by the attending shareholders, after deducting the number of shares held by shareholders attending the meeting by means of visual communication network, reaches the quorum. For shareholders attending the meeting by means of visual communication network, the number of shares held by them shall be included in the total number of shares held by the attending shareholders, but they shall be deemed to have waived their rights with respect to all proposals in the shareholders meeting.
- d. Methods for handling the situation where all proposals have been resolved without extraordinary motions.
- (3) When convening a shareholders meeting by means of visual communication network, the Company shall specify appropriate alternatives for shareholders who may have difficulty attending the meeting by means of visual communication network.

Article 3 The Chairman may officially hold the meeting when shareholders holding over half of the total number of issued shares are present, and announce the relevant information such as the number of shares with non-voting rights and the number of shares of attendees. If the attending shareholders are without the statutory shareholding but with one thirds of the total number of shares issued after two postpones (30 minutes per postpone), it can be processed in accordance with Article 175 of the Company Law and a pseudo resolution can be reached with the consent of a majority votes. For the proceeding referred to above, if the attending shareholders qualify the statutory shareholding, the Chairman may announce the meeting in session at any time and has the pseudo resolution submitted in the shareholders' meeting for ratification.

The shareholders' meeting should be conducted in accordance with the procedures 4 prescribed in the agenda and no change can be made without a resolution reached in the shareholders' meeting. The agenda is drafted up in accordance with the following provisions:

- (1) General shareholders' meeting: The agenda is to be drafted up by the Board of Directors.
- (2) Extraordinary shareholders' meeting: The agenda is to be drafted up by the authorized convening department.

The Chairman may not announce to have the meeting adjourned before the proposals (including motions) in the two agenda referred to above resolved.

Once the meeting is adjourned, shareholders may not elect another Chairman to continue the meeting at the current meeting place or another location.

The Chairman may announce to have a recess during the meeting in session.

The attending shareholders who wish to speak at the meeting must first fill out the speech note with the gist, shareholders account number, and name detailed to the Chairman in advance and the Chairman shall prioritize the speaking order.

Attending shareholders who have submitted a speech note but failed to give a speech at the meeting is deemed as a non-speaker. If the speech made by the shareholder differs from the contents of the speech note submitted, the speech shall prevail.

The attending shareholders may not interrupt the speaking shareholder without the consent of the Chairman and the speaking shareholder. The Chairman must have the interfering shareholder restrained from interrupting the speaking shareholder's speech.

If a shareholders meeting is held by means of visual communication network, shareholders attending the meeting by means of visual communication network may ask questions in text form on the visual networking platform after the chair
